RE: C9orf72 testing

Effective January 5, 2021, the Molecular Genetics Laboratory at North York General is offering genetic testing for C9orf72-related diseases. Please visit our website at www.nygh.on.ca/genetics/labs for the up-to-date test requisition and sample requirements.

If you have any questions or concerns, please contact the Laboratory Geneticist Dr. Hong Wang at (416) 756-6796, or hong.wang@nygh.on.ca.
